DIVISION OF WATER RESOURCES  
STATE ENGINEER

## License for Diversion and Use of Water

LICENSE 2961

PERMIT 6125

APPLICATION 10279

THIS IS TO CERTIFY, That **Frank Machado**  
**Pismo Beach, California** *Notice of Assignment (Over)*

has made proof as of **September 17, 1946**  
(the date of inspection) to the satisfaction of the State Engineer of California of a right to the use of the waters of  
**Los Osos Creek in San Luis Obispo County**  
tributary to **Morro Bay**

for the purpose of **irrigation and domestic use**  
under Permit **6125** of the Department of Public Works and that said right to the use of said waters has  
been perfected in accordance with the laws of California, the rules and regulations of the Department of Public Works  
and the terms of the said permit; that the priority of the right herein confirmed dates from **September 2, 1941;**

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited  
to the amount actually beneficially used for said purposes and shall not exceed **One hundred forty (140)**  
gallons per minute from about April 1 to about May 15 of each year.

In case of rotation the equivalent of such continuous flow allowance for  
any thirty day period may be diverted in a shorter time if there be no  
interference with other vested rights.

This license is based on the use of water made during the year 1945  
which was the year of maximum use within the three year period immediately  
preceding the date of inspection.

The point of diversion of such water is located **North thirty eight hundred ninety (3890)**  
feet and **East eighty eight hundred seventy (8870)** feet from the Southeast corner  
of Section 24, T 30 S, R 10 E, M.D.B. & M, being within the SW $\frac{1}{4}$  of NE $\frac{1}{4}$  of projected  
Section 20, T 30 S, R 11 E, M.D.B. & M.

A description of the lands or the place where such water is put to beneficial use is as follows: **domestic use and**  
**irrigation of 25 acres within a 40 acre parcel in the northeast quarter of projected**  
**Section 20, T 30 S, R 11 E, M.D.B. & M, as shown on map filed with the Office of**  
**the State Engineer on September 3, 1941, and being within Tract 2, Lot 32 of the**  
**Subdivision of Rancho Los Osos east of Los Osos Creek and within the Slack Tract west**  
**of Los Osos Creek.**

All rights and privileges under this license including method of diversion, method of use and quantity of water  
diverted are subject to the continuing authority of the Department acting through the State Engineer in accordance  
with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or  
unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from  
time to time by the State Engineer.

The right to the diversion and use of the water aforesaid hereby confirmed is restricted to the point of diversion  
herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein conferred subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Department.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license, does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property can not agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
